JOHN C. TEAS

EDWARD TEAS

FIFTY-EIGHTH YEAR.
NURSERY TRADE LIST,
SPRING 1900.

*Choice Hardy Flowering Shrubs,
Trees, Vines, Plants, Etc.*

GROWN AND FOR SALE BY

JOHN C. TEAS & SON,
CARTHAGE, MISSOURI.

This list for the Trade only. Nursetymen, Florists, and others who buy to sell again.

Packing.—Carefully done. All small stock packed free on orders enclosing cash at prices named; but on the larger sizes, cost of packing will be added.

Shipping.—The Frisco and Mo. Pacific Railroads and Wells-Fargo and Pacific Express companies afford excellent shipping facilities. The express companies give us special low rates, and we recommend sending small packages by express.

Small plants safely sent by mail.

Terms Cash.—Orders must be accompanied by cash or satisfactory security before shipment. C. O. D. orders should enclose half the amount of bill.

Descriptive Catalogue sent on application.

Reference by permission: Bank of Carthage and First National Bank.

ENTOMOLOGIST'S CERTIFICATE.

J. M. STEDMAN,
Professor of Entomology and
Entomologist of the Experiment
Station.

University of the State of Missouri,
College of Agriculture and Mechanic Arts.
Agricultural Experiment Station,
Department of Entomology.

COLUMBIA, MISSOURI, September 1, 1899.

To whom it may concern:

This is to certify that on the 30th day of August, 1899, I examined the Nursery Stock of The Jasper County Nursery, John C. Teas & Son, Proprietors, grown in their Nurseries at and in the vicinity of Carthage, Jasper County, Missouri, and found no indications of the presence of San Jose Scale, Peach Yellows, Rosette, or other dangerous insects or plant diseases liable to be transferred on Nursery stock from the Nursery to the Orchard.

J. M. STEDMAN, Entomologist Experiment Station.
